An Advanced STAR Training: A Review of Version 2 Improvements, Research Updates, and Consistency of Implementation

**Implementing Evidence-Based Practices as used in Version 2 of the STAR® Program
(Arick, Loos, Falco and Krug, 2015)**

Presented by: Joel Arick and Brenda Hancock

About this event:

This one-day advanced workshop on implementing evidence-based practices as used in Version 2 of the STAR Program (Arick, Loos, Falco and Krug, 2015) will include a review of substantive improvements and updates to lesson plans, procedures, and forms (examples of Version 2 data forms will be provided). We will also summarize the results of recently published research on the effects of comprehensive treatment models (CTMs) for children with ASD.

Participants will also receive consistency of implementation training on the following instructional strategies: teaching functional routines, pivotal response training, discrete trial training and the use of positive behavior intervention and supports as used in Version 2 of the STAR Program. Initial and on-going assessment of student skills using the STAR Student Learning Profile will also be addressed.

Intended audience:

This workshop is designed for pre-school, elementary, or middle school staff currently implementing evidence-based practices using the STAR curriculum with students. **Participants should have already attended a two day workshop on the STAR Program or have had extensive experience implementing the program.**

Where: Columbia Regional Program at Wilcox
833 NE 74th Ave
Portland, OR 97213

When: February 15, 2017 (8:30-3:30)

Registration: crporegon.org

Persons with disabilities or who are in need of additional accommodations or a language interpreter in order to attend or participate in an event or program at Columbia Regional Program should contact Darthea Park at 503-916-5570 ext. 78377, dpark@pps.net

The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay. These funds are to provide release time for staff to be involved in OrPATS training (Workshops and/or visits to OrPATS Training Sites). This funding must be approved ahead of time and is on a first come first served basis. Please visit the OrPATS website to download forms and instructions for submitting. www.orpats.org

This workshop is a collaboration between Oregon Program Autism Training Sites & Support (OrPATS) and Columbia Regional Program
