Create a Successful Classroom Environment

IN PROGRESS

As part of the OrPATS Project your school has access to these informative and practical professional development modules for educators serving students in general education settings. The modules are interactive and each module takes approximately one hour to complete. After successful completion, one hour of professional development is awarded for every module.

- Module 1: Serving Students in General Education Settings**
- Module 2: Understanding Behavioral Principles**
- Module 3 (Part 1): Teacher Tools for the Elementary Classroom**
- Module 3 (Part 2): Teacher Tools for the Elementary Classroom**
- Module 4 (Part 1): Teacher Tools for the Secondary Classroom**
- Module 4 (Part 2): Teacher Tools for the Secondary Classroom**

Contact your OrPATS consultant for more information.

Complete the following form and email or fax to request access to the General Education Modules. Each teacher will need their own login:
