Consistency of Implementation: An Advanced Workshop on Evidence-Based Strategies Used in the STAR® Program (Arick, Loos, Falco and Krug 2015)

Presented by: Brenda Hancock and Darby Lasley

About this event:

Participants will receive consistency of implementation training on the following instructional strategies: teaching functional routines, pivotal response training, discrete trial training and the use of positive behavior intervention and supports as used in the STAR Program. Initial and on-going assessment of student skills using the STAR Student Learning Profile will also be addressed. This workshop will include a brief review of improvements and updates to lesson plans, procedures, and forms in version 2 of the curriculum (examples of version 2 data forms will be provided). We will also summarize the results of recently published research on the effects of comprehensive treatment models (CTMs) for children with ASD. Workshop materials and content will be appropriate for users of version 1 and 2 of the STAR curriculum.

Intended audience:

This workshop is designed for pre-school, elementary, or middle school staff currently implementing evidence-based practices using the STAR curriculum with students. **Participants should have already attended a two day workshop on the STAR Program or have had extensive experience implementing the program.**

Where: Columbia Regional Program at Wilcox
833 NE 74th Ave
Portland, OR 97213

When: February 28, 2018 (8:30-3:30)

Registration: crporegon.org

The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay. These funds are to provide release time to staff to be involved in OrPATS training (Workshops and/or visits to OrPATS Training Sites). This funding must be approved ahead of time and is on a first-come first-served basis. Please [click here](#) to download forms and instructions for submitting or visit the ORPATS website www.orpats.org.

Participants with a disability who need accommodations or those who need a language interpreter in order to attend or participate in this event should contact Darthea Park at Columbia Regional Program via phone 503-916-5570 ext. 78377 or email dpark@pps.net

This workshop is a collaboration between OrPATS and Columbia Regional Program
