Consistency of Implementation: An Advanced Workshop on Evidence Based Strategies Used in the STAR[®] Program

One Day Workshop: Implementing Evidence-based Practices as used in the STAR Program (Arick, Loos, Falco and Krug, 2004) and Small Group Instructional Strategies.

Presented by: OrPATS Trainers

Who:

This workshop is designed for pre-school, elementary, or middle school staff currently implementing evidence-based practices using the STAR curriculum with students. **Participants should have already attended a two day workshop on the STAR Program or have had extensive experience implementing the program.** (For staff needing to attend a two-day workshop, please go to our website www.orpats.org for a list of scheduled workshops!

What:

Participants will receive training on consistency of implementation of the following instructional strategies: teaching functional routines, pivotal response training, discrete trial training and the use of positive behavior intervention and supports as used in the STAR Program. Initial and on-going assessment of student skills using the STAR Student Learning Profile will also be addressed. Training will also provide strategies for small group instruction and generalization of student skills as used in the Sunshine Literacy Kits.

Where:

Springfield School District
640 A Street Springfield, OR 97477

Parking: Several visitor spaces, including handicap parking slots, are located adjacent to the building to the west. Additional 2-hour street parking is available in front of the building, and nearby. The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay during non-contract days. These funds are to provide release time for staff to be involved in ORPATS training (Workshops and/or visits to ORPATS Training Sites). This funding must be approved ahead of time and is on a first come first served basis. Please visit our website to download forms and instructions for submitting. www.orpats.org *Persons with disabilities or who are in need of additional accommodations or a language interpreter in order to attend should contact Kathi Dehm, 503-297-2864.*

OrPATS Workshops are put on in conjunction with STAR Autism Support and Northwest Regional ESD
