Developing Early Childhood Education Settings to Support Students with Autism and Other Developmental Delays

Presented by Oregon Program for Autism Training Sites & Support (OrPATS)

This training provides early childhood education staff with the knowledge to develop classrooms that support children with autism through the implementation of research-based strategies. Topics include: examining the learning characteristics of autism, positive behavioral strategies, and techniques to promote social and language skills. This workshop provides examples of evidence-based practices that can be immediately implemented in classrooms.

Who Should Attend:

Community preschool providers, childcare providers, Head Start staff, registered family child care providers, certified family child care providers, teachers, assistants, and other staff providing services to children with Autism Spectrum Disorders (ASD).

What You Will Learn:

- The learning characteristics of children with autism
- Evidence-based strategies for working with children with autism and other developmental delays
- Practical instructional supports to improve social and language skill development
- Activities, behavioral supports, and visual supports that can be used to immediately support children within a preschool or childcare setting

What You Will Receive:

- Online access to examples of visual supports, behavior supports, and social supports
- Access to additional on-line training modules and Media Center
- Certificate of participation for 6 hours upon completion of the session

Where: Online webinar

When: June 10, 11, 12 from 12:30pm to 2:30pm

***Class will be held via live webinar and will consist of 3, two-hour sessions, for a total of 6 hours. Participants must attend all 3 sessions to receive certificate of attendance for 6 hours.**

Register by emailing: jhook@umchs.org

(Please note that registration will close on Thursday June 4th at 4 PM or when capacity has been reached. Limited space available!)

For registration questions contact: Jennifer Hook at jhook@umchs.org

For workshop questions contact: Brenda Hancock at Brenda.hancock@orpats.org

This training is registered with ORO through Child Care Resource & Referral of Washington County and hours may be counted for training credits (6 hours of Set 2 training, Core Knowledge Categories: Special Needs and Understanding & Guiding Behavior, Age Group: Preschool).

This workshop is offered at **no charge** to the participants or the childcare center or business.
