

Oregon Program Autism Training Sites and Support

## **Two-Day Virtual Workshops**

### *Implementing Evidence Based Practices in Remote Learning Environments Workshop*

The STAR Online Learning System (SOLS) for primary or secondary and the STAR Media Center will be used to demonstrate the remote learning methods.

***Presented by Oregon Program Autism Training Sites & Support Staff & Oregon Regional Programs***

#### **What/Who:**

Participants will receive virtual training on how to implement asynchronous and synchronous (instructor led) remote learning practices for students with autism and other developmental disabilities. The following evidence-based instructional strategies: teaching functional routines, task analysis, discrete trial training, pivotal response training (primary only) and positive behavior intervention and supports as used in the STAR Online Learning System (SOLS-s). This workshop is appropriate for teachers, assistants, related service providers, specialists and administrators working with either primary (PreK, Elementary) or secondary (Upper Elementary/Middle/High School & Post-Secondary) level students with ASD and other related developmental disabilities.

#### **When:**

9am-3pm (hour for lunch)

- **November 12-13, 2020 | [Click here to register!](#)**

The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay or to pay a stipend to staff who are not yet under contract at the time of the workshop. These funds are to provide release time to staff to be involved in ORPATS training (Workshops and/or visits to ORPATS Training Sites). This funding must be approved ahead of time and is on a first come first served basis. Please [click here](#) to download forms and instructions for submitting or visit the [orpats.org](http://orpats.org) website. *Persons with disabilities or who are in need of additional accommodations or a language interpreter in order to attend should contact Kathi Dehm, 503-297-2864.*

Please note: Attendees will get access to the STAR Media Center when attending this workshop. Access to SOLS will require a separate fee. However, participants can use the remote learning techniques described at the workshop without purchasing SOLS.

OrPATS Workshops are put on in conjunction with Oregon Regional Programs
