

Oregon Program Autism Training Sites and Support

Virtual Workshop Secondary ABA & Evidence Based Practices for In- Person Learning

6-Hour OrPATS Virtual Workshop:
*Implementing ABA (Applied Behavior Analysis) & Evidence-based Practices using
the Links[®] Curriculum*

Presented by Oregon Program Autism Training Sites & Support Staff & Central Oregon Regional Program

What/Who:

This is our typical in-person 1 Day content presented in a state-wide virtual format! Participants will receive virtual training on how to use the following ABA instructional strategies: assessing and teaching functional routines, task analysis, discrete trial training and the use of positive behavior intervention and supports as used in the LINKS Curriculum. This workshop is appropriate for teachers, assistants, related service providers, specialists and administrators working with secondary (Upper Elementary/Middle/High School & Post-Secondary) students with ASD and other related developmental disabilities.

When:

8:30am-3:30pm (hour for lunch)
