

Oregon Program Autism Training Sites and Support

## **Virtual Workshop Preschool/Elementary ABA & Evidence Based Practices for In-Person Learning**

**Two Day Comprehensive Workshop:  
Implementing ABA (Applied Behavior Analysis) & Evidence-based Practices as  
used in the STAR<sup>®</sup> Program (Arick, Loos, Falco and Krug, 2004, 2015)**

**Presented by [OrPATS](#) & [Oregon Regional Inclusive Services](#)**

### **What/Who:**

This is our typical in-person 2 Day content presented in a virtual format! Participants will receive virtual training on how to use the following ABA instructional strategies: discrete trial training, pivotal response training, teaching functional routines and positive behavior intervention and supports as used in the STAR Program. This workshop is appropriate for teachers, assistants, related service providers, specialists and administrators working with students with ASD and other related developmental disabilities.

### **When:**

8:30am-3:30pm (hour for lunch)

- **January 6-7, 2022 | [Click here to register!](#)**
